The screenshot shows an Android mobile interface for editing identity information. At the top, the status bar displays the time 23:20, a moon icon, a refresh icon, an envelope icon, LTE signal strength, and a battery level of 73%. Below the status bar is a header with a red envelope icon and the text "Identität bearbeiten". The form contains the following fields:

- "Name der Identität" with the value "Vorsitz".
- "Ihr Name" with the value "Dein Name".
- "E:" with the value "vorsitz@htugraz.at".
- "Antwortadresse" with the value "(Optional)".
- A checkbox labeled "Signatur verwenden" which is currently unchecked.

At the bottom of the screen, the Android navigation bar is visible, showing a square home button, a circular app drawer button, and a triangular back button.
